**SAILING  
INSTRUCTIONS:**

Sailing Instructions will be available at registration.

**SCORING:**

The "Low Point Scoring System" of Appendix A will apply and is modified as follows: Each participant's score stays with them no matter what boat they choose to sail in each race. Each participant is required to sail in at least 60% of all races sailed. If a participant sails in more than 60% of all races sailed, then only his/her best scores will be counted towards the overall awards.

If all 28 scheduled races are sailed, then 16 races constitute 60%. The total 60% can be found by multiplying the total number of races sailed by 0.60 and rounding down to the nearest whole number.

**SAFETY:**

It is each competitor's exclusive and individual responsibility to decide whether or not to race or continue racing, to wear a flotation device when conditions warrant, and to otherwise provide for his or her own personal safety. Competitors are reminded that all federal and state safety regulations should be observed. If a competitor is chartering/borrowing a boat from FWYC, that competitor is required to wear a personal flotation device at all times while sailing.
